Hazardous Waste Collection Day

The City and the County have teamed up again to sponsor a Hazardous Waste Collection Day on Saturday, October 12, 1991. There will be several locations throughout the City and the County that will be open from 9:00 a.m. to 3:00 p.m. to receive those hazardous materials that have been sitting around your house or in the basement and garage. The site in the First Ward is:

✓ **Kentucky Drivers License Testing Cntr**
(Bowman Field, enter from Dutchman's Ln)

Materials that will be accepted include any toxic, ignitable, reactive or corrosive household products, such as:

- ✓ paints & solvents
- ✓ petroleum products
- ✓ pool chemicals
- ✓ unknown materials
- ✓ antifreezes
- ✓ drain cleaners
- ✓ car batteries
- ✓ herbicides/insecticides

These items should never be poured into your drain or yard, and should not become part of the garbage you throw away on a weekly basis.

A team of chemists will be at each of the sites to help determine the composition of unknown substances. Paint, motor oil and car batteries will be recycled. Solvents will be blended into industrial fuels. Other materials with no recovery value will be properly disposed of in facilities approved by the Environmental Protection Agency. Last year, the collection netted 237,000 pounds of hard-to-dispose-of wastes, including 1100 gallons of paint which were bulked together and donated to non-profit organizations.

Fire Prevention Week

The time is fast approaching for the metropolitan Louisville area to observe Fire Prevention Week. This year Fire Prevention Week will be observed October 6-12.

On October 3 at approximately 6:15 p.m., the Louisville and Jefferson County Fire Departments are planning to lead the community in conducting home fire drills. At that time all of the civil defense sirens will be sounded as well as the sirens on all of the fire trucks in Louisville and Jefferson County. This will be a reminder to all citizens of the importance of home fire drills. We are asking that everyone prepare a home escape plan and practice it at this time. If you would like more information about this October 3rd event, please call Major James R. Catlett, Assistant Fire Marshall at 625-3731.
